TUNES

ALWAYS GREAT MUSIC

Tunes is about the music!

It is a celebration of it, in an already established and well known shape: Karaoke. Singing with lots of smiles and genuinely happy people.

It is one of the few bars in Bucharest that offers the music enthusiast that place where they can listen to their favorite tunes, but beyond that, they can actually sing it, on the best sound equipment.

At Tunes people come to sing, and they sing a lot! This is the place that makes you fall in love with it, IF you love music. Each night has karaoke after 22 so whom ever wants to rock the Mic, can do so every day of the week.

Friday and Saturday, Tunes hosts Late Night Voices, it is a Karaoke Party in itself and it happens on both stages as the club is divided between the ground floor and the basement downstairs. Each floor has its own stage, sound system and bar, thus making it the go to place when it comes to karaoke. The sound is impeccable and the people are really friendly. All you need to do is DARE to discover the artist inside you.

For details and info it's best to visit the Club's web-page of facebook page.
Keep rocking the mic!
